 Fabric A - Cut: (2) 5.75" x 5.75", (4) 4" x 4"

 Fabric B - Cut: 2" x 2"

 Fabric C - Cut: (4) 2" x 5.75", (2) 5.75" x 5.75", (4) 2.25" x 2.25"

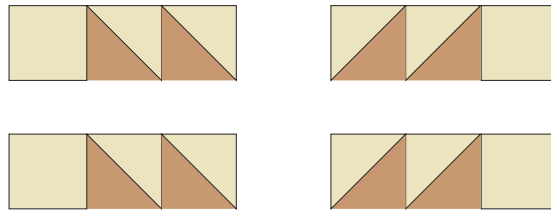

1. Make HSTs. Use the 8-at-a-time method to make 8 HSTs measuring 2.25" x 2.25". Place the 5.75" Fabric A square on top of the Fabric C square. Draw two diagonal lines on the backside of the square. sew 1/4" from the line on both sides. Cut along both diagonal lines and in the middle of the square vertically and horizontally. Press the HSTs open and trim to 2.25" x 2.25". You will have 8 HSTs. Repeat with the remaining 5.75" Fabric A and C squares.

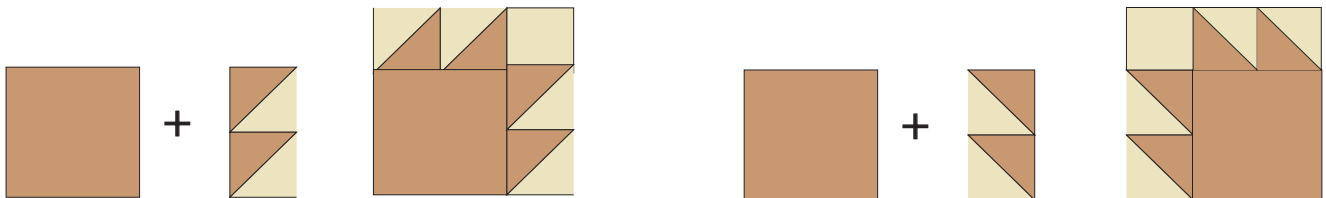

2. Sew HSTS together as show below. You will sew four pairs for each orientation shown below.

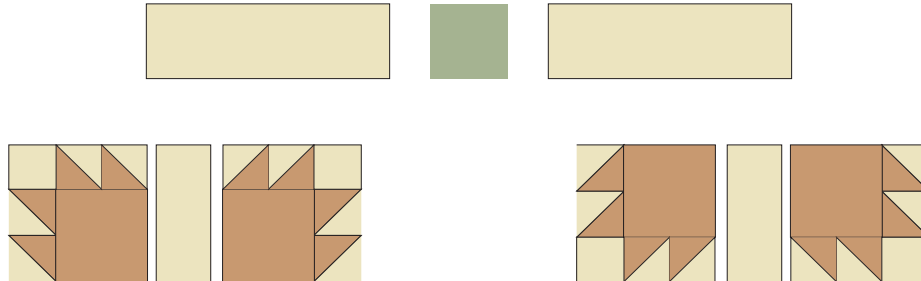

3. Sew a Fabric C 2.25" square onto four of the HST pairs formed in step 2. They will be sewn onto two of each orientation from step 2.

4. Sew the HST strips from steps 3 and 4 together with the Fabric A 4" x 4" squares.

5. Sew the strip together as shown using the Fabric C 2" x 5.75" strips and the Fabric B square. Sew the remaining two 2" x 5.75" strips in between your corner pieces, as shown.

5. Sew the block together as shown. It will measure 12.5" x 12.5".
