1. Use a scant 1/4" seam allowance for all seams. Starting with the white square and the pink pieces, sew the smaller pink strip onto the right side of the square. Press seam and sew the remaining pink piece onto the top. Press. Sew the small yellow strip onto the bottom of your piece and press. Sew the remaining yellow piece onto the left side. Press.

2. Continue by adding onto the right of the block followed by the top of the block. Repeat on the left side, by first adding to the bottom followed by the left side of the block. Continue until you have finished the entire block.
